DAISY

“Steps to Respect”

Complete the Purple Petal:

#1 Respect Self

#2 Respect Others

Find out which Girl Scout examples of respect were used by George Washington and ladies long ago. Then use these respect skills while playing together with replica toys of the past.

Many examples of respect remain the same now as they were in George Washington’s time: meeting for the first time, not tattling, and personal cleanliness. Some of the rules which have changed are guaranteed to make the girls laugh.

Program length: 1 hour

Fee: \$7.00 per Scout

Maximum 18 Scouts

2. Tour a landmark that honors the past.
