Annemarie Appleton

Attached please find the following documents:

- Application form
- Impervious Lot Coverage Calculations (Lots 14.01, 14.02)
- Environmental Protection Calculations
- Minor Subdivision Plan signed and sealed by William J. Darmstatter, Darmstatter, Inc., dated June 2, 2017, revised September 18, 2017.

Please review the package and provide your comments by **October 23, 2017** for distribution in Board packets.

Reviewer's Response (*use additional sheet if necessary*):

Please return the plan with your review, if possible.

Both lots must be connected to public sanitary main shown on site plan.

*Annemarie Appleton* 10/13/17
