

Wayne Environmental Commission

Wayne Township is seeking residential volunteers to serve as members on the Wayne Environmental Commission. Primary responsibilities include: Site Plan Review, Community Outreach, recycling education and local and regional environmental issues affecting Wayne. The ideal candidate should have a strong interest in environmental issues and some academic or work-related environmental background.

More information regarding Environmental Commissions can be found on the Association of New Jersey Commissions (ANJEC) web site: www.anjec.org/pdfs/EnvironmentalCommissionersHandbook-2017.pdf

Interested volunteers should send a letter and resume to the Mayor's Office at 475 Valley Road, Wayne, NJ 07470.
