**RE: Signature Acquisitions
Block 3103, Lot 15, 1655 Valley Road, Wayne, NJ**

Dear Planning Board Members:

This correspondence supplements our prior correspondence of August 21, 2020 requesting an extension of the approvals for this property.

The record should reflect that the Executive Order issued by the Governor in response to the Covid Pandemic have essentially affected the ability to complete the improvements. Accordingly, the understanding and indulgence of the Township of Wayne would be greatly appreciated.

Very truly yours,

JEROME A. VOGEL
