**RE: 2014 Used Car Dealers License No.13-2014 - Null & Void  
Wayne Dodge, Inc.  
777 Mountain View Boulevard  
Wayne, NJ 07470**

Dear Mr. Khubani:

It has come to my attention that you did not receive the proper zoning permit from the Zoning Officer to conduct a Used Car Dealer at 777 Mountain View Boulevard in Wayne. As a result the license issued from this office is null and void until such time you receive the required zoning permit. You should contact the Planning Department for further details.

Please be advised as of this date you are prohibited from operating a Used Car Dealership at the above-mentioned location. Operating after this date is a violation at the Code of the Township of Wayne and will subject you the penalty for each day the violation exists.

If you have any questions, please feel free to contact my office.

Very truly yours,
