Additional Narrative

Narrative Prompts: A detailed assessment as to whether representation has improved for any previously identified underrepresented groups
A description of the data used to determine the existence of any underrepresentation.
Any new or modified Program goals to be implemented in the upcoming year

In the 2022 calendar year, the Wayne Township Police Department conducted an entrance examination for the position of Police Officer. This candidate pool consisted of 1 African American male, 17 white males, 7 Hispanic males and 1 male party identifying himself as other. The applicants hired off of this 2022 police entrance examination were 1 African American male, 6 white males and 2 Hispanic males. In reviewing prior police exams administered by this Agency, between the 2017 and 2021 calendar year, there were 7 female Officers appointed, along with 5 Hispanic males and 2 African American males. In an effort to expand diversity amongst law enforcement candidates applying for our Agency's next police entrance exam, Members of the Wayne Police Department who represent a wide range of ethnicities will be taking part in college career fairs at our State Universities. It should be noted that our Agency's first career fair is scheduled to take place on Thursday, February 23rd at William Paterson University where a diverse group of Officers will be present to interact with students and help guide them with any questions they may have. Furthermore, in the 2022 calendar year, there were 14 white males and 1 Hispanic male promoted. Based on the requirement that an Officer must have completed a minimum of five year with the Wayne Township Police Department to be eligible to take the promotional exam, only two female candidates were eligible. Of those two eligible female candidates, only one female Officer applied. The next promotional test is anticipated to take place in the Spring of 2025. In reviewing the Agency's roster, there will be four additional female Officers eligible to take the exam.
