Penn Medicine Princeton Health is offering Pet First Aid & CPR. Designed by the American Safety & Health Institute (ASHI), the Pet First Aid course teaches participants how to give immediate care to an injured or suddenly ill pet until veterinary care is available. Basic emergency care, CPR, common illnesses and medical emergencies will be covered. This program will focus on first aid for dogs; however, first aid applications for most pets are similar. Participants will receive a course completion certificate.

Register in person at Parks and Recreation at Town Hall, 475 Valley Rd. or online at [www.waynetownship.com/parks](http://www.waynetownship.com/parks). Any questions call 973-694-1800 x 3260 or email [recreation@waynetownship.com](mailto:recreation@waynetownship.com).
